

End-Use Certification

It is nLIGHT's policy to verify the end-use and end-users for all international transactions. This is to ensure compliance with applicable United States export control laws and regulations, specifically Parts 736 and 744 of the Export Administration Regulations. Please ensure that all information is complete:

Ultimate consignee/End-User | *The end-user is the person abroad that receives and ultimately uses or integrates the exported or re-exported items. The end-user is not a forwarding agent or intermediary, but may be the purchaser or ultimate consignee.*

Company Name:	Attn:
